The owner\*, Picisel Research Limited, of 100  
percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of  
any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined  
in 35 U.S.C. 154 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending  
second Application Number 09/835,484, filed on April 16, 2001, of any patent on the  
pending second application. The owner hereby agrees that any patent so granted on the instant application shall be  
enforceable only for and during such period that it and any patent granted on the second application are commonly owned.  
This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or  
assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant  
application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent  
granted on the second application, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any  
such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of  
competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled  
by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as  
shortened by any terminal disclaimer filed prior to its grant.
